**TERMINAL DISCLAIMER TO OBTAIN A DOUBLE PATENTING**  
**REJECTION OVER A PENDING SECOND APPLICATION**

In Re Application of: Jung-Tsung Wei  
Applicant No. : 10/613,835  
Filed : July 1, 2003  
For : SUSPENSION CONTROL DEVICE FOR  
ELECTRIC APPLIANCE

I, Jung-Tsung Wei, am the owner of 100 percent interest in the above-identified patent application Serial No. 10/613,835. I am also the owner of the entire interest in the pending second Application No. 10/015,743.

I hereby disclaim the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent to be granted on the pending second Application No. 10/015,743, and hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to such patent shall be the same as the legal title to the patent granted on the pending second Application No. 10/015,743, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assignees.

In making the above disclaimer, I do not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term of the patent granted on the pending second Application No. 10/015,743, in the event that the patent granted on the pending second Application No. 10/015,743 later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

WEI, Jung-Tsung
